NATURAL FAMILY PLANNING (NFP)

The Office of Life, Marriage & Family promotes Natural Family Planning (NFP) as a highly effective, maritally enriching, spiritually enlightening, emotionally uplifting, sexually fulfilling and moral means of planning one's family. Our Diocese highly encourages those preparing for marriage and those already married to learn church teachings and seek out qualified, reliable training in NFP methods.

CREIGHTON MODEL FERTILITYCARE SYSTEM

The Creighton Model FertilityCare System (CrMS) is a modern, effective and scientifically proven ovulation method of family planning. CrMS is a safe, natural and holistic way for couples to achieve pregnancy, postpone pregnancy, and identify gynecological health issues. (Description by Mayo Health Clinic: Childbirth Education)

SYMPTO-THERMAL METHOD

Couple to Couple League teachers are married couples that teach awareness of a woman's fertility. How to interpret certain signs in a woman's body that indicate her fertile and infertile times. This method also helps couples achieve pregnancy if and when they've had difficulty. Sympto-thermal method is 99% effective in postponing pregnancy, 100% natural and safe, and low in cost so all couples can get the help they need. It also helps keep your marriage communication growing and is morally accepted. (Description by Couple to Couple League)

FAMILY OF THE AMERICAS

This Ovulation Method is based on the simple recognition of natural signs of fertility that appear for a few days during the woman's menstrual cycle. Family of the Americas (FAF) was instrumental in simplifying the teaching and charting system of the Ovulation Method that made it applicable for universal use.
