

RCIA FALL EVENTS

RCIA FALL GATHERINGS

These gatherings offer our RCIA ministers a time to come together for prayer and a meal, to share parish and diocesan RCIA activities and experiences, and to review new resources. They are a time for building community and collaboration with one another.

RCIA FORMATION SESSIONS:

These sessions seek to provide our RCIA ministers with an opportunity to come together to study and discuss the theory and practice of RCIA ministry. We'll be drawing on the Church's RCIA text and other resources in our work together. These sessions are a time to strengthen our ministers' knowledge of the RCIA process, and to build up RCIA ministry in our diocese.
