

What is T.E.C.?

TEC is a three-day retreat weekend based on the Paschal Mystery: the death and resurrection of Jesus Christ. TEC originated as "Teens Encounter Christ" in 1965 as a retreat experience for high school students. Pathways TEC brings teens and adults together during the weekend to be participants in encountering Christ as the family of God.

What Happens On the Weekend?

A TEC weekend works to build spiritual growth through participation in group activities. Although some time is given for individual prayer and reflection, the emphasis throughout the weekend is on group participation through music, discussions, talks, prayer, Scripture, Mass and celebration.

Each day of the retreat has a central theme:

- ✠ "Die Day" is the first day – a day centered on the death of Jesus Christ. On "Die Day" participants reflect on many different aspects of their lives, focusing on better relationships with God, self and others.

- ✠ "Rise Day" is the second day, a joyous celebration of the resurrection of Jesus Christ. On "Rise Day" participants celebrate the presence of God's love in their lives.

- ✠ "Go Day" is the third day – a day which explores the continuous call to spread the Good News. On "Go Day" participants recognize and prepare to carry forth the message of Jesus Christ.

It is very important to realize that TEC is a voluntary experience. No one should be required to make a TEC in order to fulfill a confirmation, faith formation, or scouting requirement.
