THE MISSION PLAN

1. Pray
 2. Assess
 3. Explore processes/models of evangelizing parishes
-
4. Seek and cast the Lord's vision for this parish
 5. Craft an adult discipleship path
 6. Mobilize and equip lay/religious leaders
 7. Align everything to the mission

What is due December 31, 2020 is a plan, not an implementation. It can spread over years. But keep in mind: there is no time to waste. People are spiritually dying and we have the medicine. We have GREAT news. Let's share it!
