

DECREE

St. Martin Parish of Woodstock, Minnesota, was founded in 1883, serving the faithful of the area for 124 years. In 2011 the Diocese of Winona, with the assistance of professional consultants, embarked upon Vision 2016: a comprehensive visioning and planning process aimed at providing opportunities to enhance the pastoral care of the faithful, address shortages in clergy and evaluate current parish structures in light of changing demographic trends. The extensive collaboration of clergy and lay leaders throughout the Diocese of Winona concluded with the recommendation of an eventual merger (*unio extinctiva*) of St. Martin Parish with St. Leo Parish of Pipestone, Minnesota.

In a Vision 2016 proposal submitted on March 15, 2016, and in prior meetings that were part of the Vision 2016 process, the parishioners of St. Martin expressed their desire that the church building be relegated to profane but not sordid use. The basis for the recommendation is that there has been a significant decline in the number of sacraments taking place in the parish of St. Martin and the ongoing cost of maintaining the St. Martin church building. After consultation with the parish community and after much deliberation, the St. Martin Finance Council recommended that the St. Martin church building be sold. Parishioners were informed of this recommendation and were in agreement with the decision.

The following grave causes suggest that the church building be relegated to profane but not sordid use:

1. That the necessary human and fiscal resources to adequately maintain the structure are no longer available. Hence, maintaining the building as a place of worship would place an excessive burden upon St. Martin Parish.
2. The close proximity of St. Leo Parish in Pipestone, Minnesota, will provide parishioners availability to the Church's liturgical and sacramental life and a facility for parish celebrations.
3. Having made public the possibility of the sale of the church building, no member has expressed a legitimate interest in maintaining the church building.
4. Funds raised from the sale of the church property will provide support for other dimensions of the Church's pastoral ministry and mission.

Accordingly, in virtue of the prescription of canon 1222, §2 of the 1983 Code of Canon Law, having consulted the Presbyteral Council on May 18, 2017, having judged that sufficient grave causes are present, having determined that the good of souls will suffer no detriment and that the intentions of donors and any other acquired rights have been examined and given due consideration, I hereby decree that

**ST. MARTIN CHURCH OF WOODSTOCK, MINNESOTA, BE
RELEGATED TO PROFANE BUT NOT SORDID USE.**
