## CATECHETICAL INSTITUTE FRANCISCAN UNIVERSITY OF STEUBENVILLE

Officially launched in 2016, the Franciscan University Catechetical Institute seeks to serve Christ and his Church by forming those Catholics entrusted with the formation of others. This includes priests, deacons, and parents, as well as lay ecclesial ministers, teachers, religious, and parish catechists.

Through conferences, online courses, personal support, and new catechetical resources, we make the riches of the Catholic faith more available and accessible to clergy and lay catechists alike.

To this end, our expert faculty and experienced lay mentors work in close partnerships with both dioceses and catechists, offering individualized formation tools designed to meet a variety of catechetical needs.

## FORMATION FOR DISCIPLESHIP
