Participation and Form Directions

Eligible employees who work at least 20 hours a week or at least one-half academic load during the plan year. Employees must be 21 years of age or older to participate. Temporary employees are not eligible. Employees may enroll in the plan at the beginning of each plan year.

Contact the Employee Benefits Coordinator if you feel you have an employee with a qualifying event.

FORMS REQUIRED FOR QUALIFYING EVENT OR STATUS CHANGE

Qualifying Event Notification Form (Flexible Benefits Status Change) F39727R07

PURPOSE: To notify the plan administrator of changes, which affect the employee’s rights and obligations under the flexible benefits plan.

The employee may elect to change their Flexible Benefits election ONLY in the event of change in job status of employee or their spouse, birth or adoption, death, marriage, or divorce. The election change must be directly related to the event, which causes the status change.

Upon termination of employment, the employee may elect to revoke their election or continue participating in the flexible benefits plan for the health care spending account only. COBRA flex information will be sent to the terminating employee through our third party vendor, Alerus. If the employee chooses to continue to participate, their contributions are made on an after tax basis to Alerus. The employee can then seek reimbursement for eligible medical expenses for the rest of that plan year. If the employee chooses not to continue participation, they may seek reimbursement for eligible medical expenses incurred only through the date of termination.
