Interested in taking the next step to grow in faith?  
Want a partnership with others rooted in God?  
Want to share your faith, but don't know how?

**Discipleship quads** are a supported mission of the Diocese of Winona-Rochester to help people restore discipleship and find faith in their daily lives. If you know RENEW, FOCUS, or Cursillo, this borrows the best, adds new twists, and makes the "how-to" rich and simple. Suitable for people aged 18-108. Anyone can do this! **The process is free, flexible, powerful,** and you can even bring your coffee.

We will work through how to start a quad and what is involved for all who are curious, and provide support in the weeks to come. See you there!
